Jim,

The best way to get this past Mike Small in purchasing is to send the spread sheed to me on a "clean" email. If he sees the back and forth about we're not using this and it will raise the red flag.  
Thanks

Hi Ken,

This is the only paper that works for our Certificates of Analysis. It has to pass thru printer twice. I had same problem with DPH Purchasing. Attached is spreadsheet.

Hi Jim,

I think I can now answer "Yes." I've forwarded most of the orders you sent me back in September.  
Sorry for the delay.

When looking at emails from you I saw an email with for bond paper used for the drug certs. from Lindemeyer Monroe dated Sept 12, with no excel spread sheet order form attached. I couldn't forward that along.

Just a heads up we were told a number of years ago to use the less expensive paper. If you get me an excel spread sheet order for that paper I'll forward it along and see what happens

Thanks.

Ken

Hi Ken,

Did you get those orders I emailed you when you where on vacation? Also do you know who sends our pay stubs from MSP Headquarters, they have the wrong address.
